Submission of this application constitutes agreement to abide by the Association's bylaws: I understand that membership is limited to attorneys who actively practice inside a corporation or other private sector organisation, and do not hold themselves out to the public for the practice of law. This precludes individuals whose responsibility includes selling or providing services to individuals and organisations who are not their employer. Submission of this application also creates an explicit opt-in to the use and distribution of some personal data otherwise protected from publication by the privacy laws of some countries. See ACC's privacy statement for a complete understanding of the limited and internal uses of your membership information inherent in your agreement to join the Association.* The User ID and password assigned to you as an ACC member may only be used by you.
