LAWYERSCLEARINGHOUSE

Affordable Housing • Community Development
Nonprofit Legal Assistance • Homelessness Prevention

Founded in 1988, The Lawyers Clearinghouse is a 501(c)(3) nonprofit focused on connecting attorneys interested in providing pro bono legal aid with the nonprofits and homeless individuals who need their help.

By working efficiently and effectively, the Clearinghouse leverages nearly $5 million in donated legal services annually on a budget of just $250,000.

The Lawyers Clearinghouse provides a unique opportunity for in-house counsel to participate in rewarding pro bono activities. By teaming up with lawyers from area firms, you can provide pro bono legal assistance and have the support you need to be successful.

There are a number of ways to get involved:

Help nonprofits with corporate or business-related legal needs.

Perform a legal assessment to review the operations, filings, policies and governance practices of nonprofits.

Participate in a legal clinic to provide legal aid to individuals who are homeless or at risk of becoming homeless.

Lead an educational workshop for nonprofits in your field of expertise.

The Lawyers Clearinghouse provides malpractice insurance and the administrative resources needed to make your pro bono experience meaningful and worthwhile.
