ONE FOCUS: **YOU**

ACC is dedicated to
serving the needs of
in-house counsel
across the globe.

ACC's focus is supporting and
amplifying your profession.

Our goal is to ensure that
you can purposefully and
efficiently perform your role.

We advocate for the role of
the in-house counsel –
we advocate for you.

Your World

ACC is positioned to help you meet the **cross-border demands** of your job.

With members in over 80 countries, the ACC network connects you to peers and resources across the globe, empowering you to access market-leading information anywhere in the world.

Your Seat at the Table

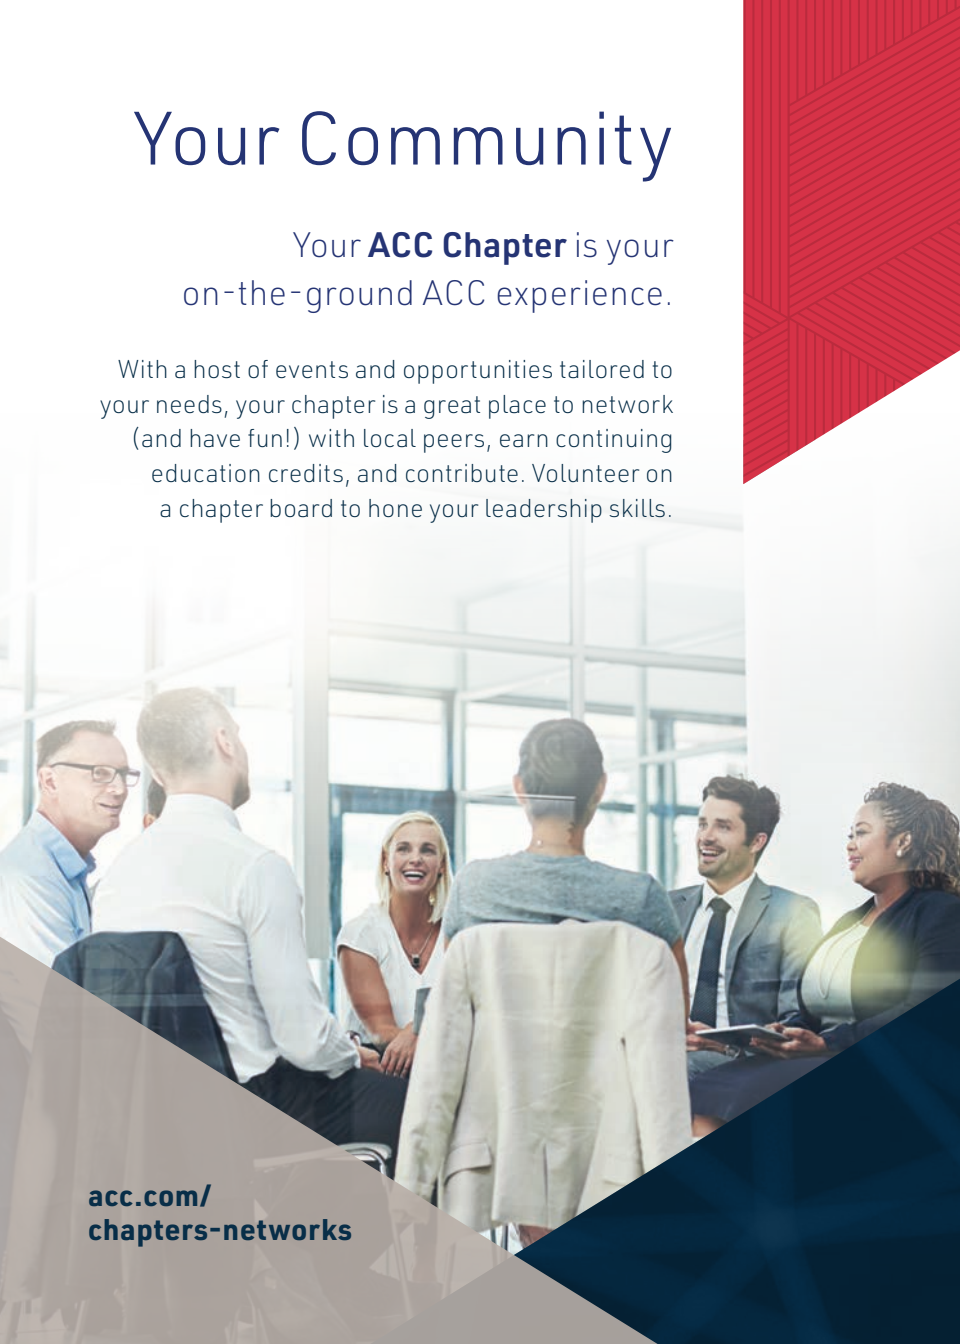

ACC believes the in-house legal team must have **representation at the executive and boardroom tables.**

The CLO/GC is a critical ally in ensuring a strong, ethical corporate structure. ACC works to raise the profile of the in-house legal department, and evolve the marketplace to understand why the CLO must have a direct reporting line to the CEO and a voice in the boardroom.

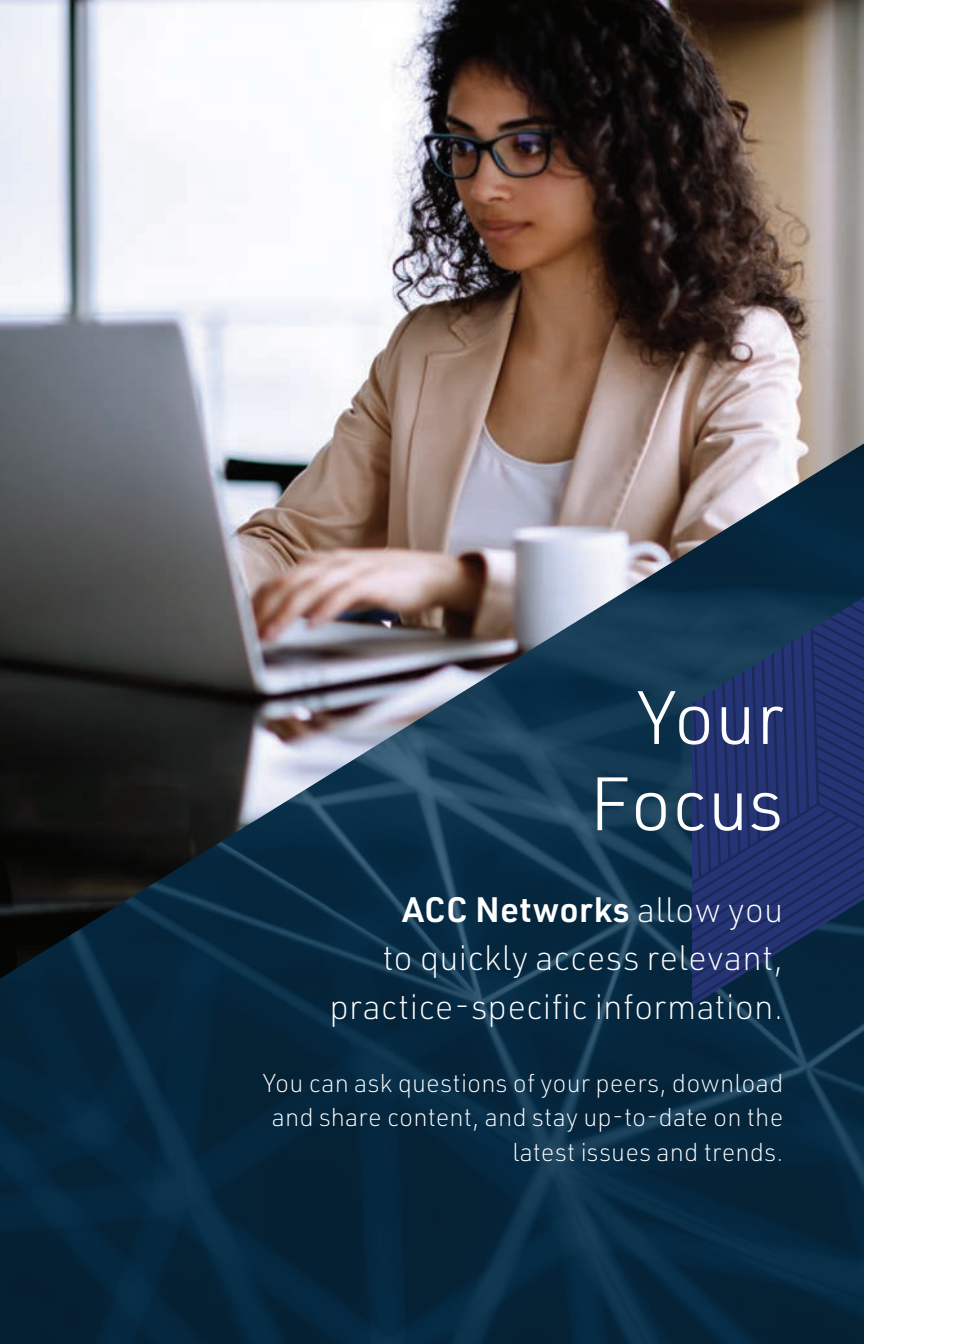

Your Community

Your **ACC Chapter** is your on-the-ground ACC experience.

With a host of events and opportunities tailored to your needs, your chapter is a great place to network (and have fun!) with local peers, earn continuing education credits, and contribute. Volunteer on a chapter board to hone your leadership skills.
