As a CLO and NED, Joanne is mindful that ongoing professional development is necessary to evolve with the times. A life-long mentee, Joanne is incredibly fortunate to receive the guidance and support of industry heavyweight, Peter Horton. Joanne has leveraged her mentor's insights into securing a place in the C-Suite, an invitation into the ACC GC100, and membership into Global Leaders in Law where she attended the prestigious General Counsel Summit in Lake Como. Inspired by her mentor's dedication and kindness, Joanne is grateful to pay forward her insights by tirelessly mentoring, conference speaking and facilitating think tanks that contribute to the progression and satisfaction of our future leaders in the law.
