

Dear Nikita,

The very first [Virtual ACC Annual Meeting](#) *is happening!*

[LOG IN TO ACCESS THE ANNUAL MEETING](#)

LOG-IN INFORMATION

Email address:

Refer to your [personalized schedule](#) when determining which sessions to attend. We recommend having it open in another browser window adjacent to the one you're using for the virtual meeting. Within the virtual meeting, you can add your sessions to your briefcase as an additional reminder.

No personalized agenda? No problem! Download the [Program @ A Glance](#), or check out the full [program schedule](#) to make note of all the great sessions you want to attend. Add them to your briefcase to “bookmark” them for easy reference!

>> IMPORTANT NOTES:

- You are able to enter the session you'd like to attend starting 5 minutes prior to its official start time as listed in the online program schedule. You may have trouble entering it any time before. We hope you enjoy the session!
- *A very limited number of sessions listed in the program schedule are at capacity. Please refrain from attending those unless they appear on your personalized schedule.*

And don't forget to join the social media conversation surrounding the conference by including **#ACCAM20** in all your [LinkedIn](#), [Facebook](#), and [Twitter](#) posts.

Make your mark while attending interactive (Zoom-hosted) sessions at the meeting, as well as the many engaging networking activities that await you, by using a [2020 ACC Virtual Annual Meeting Zoom background!](#)

Please note that for this feature, Zoom recommends using: a physical green screen; higher quality cameras, which result in a better virtual background; the use of uniform lighting and color, and clothing that is **not the same color as the virtual background.*
