

2020 Mentor of the Year

Helen Fraser

General Counsel | MNF Group Limited

Inspired initially by her experience as a mentee in the ACC mentoring program, Helen has been mentoring others ever since, finding that mentoring brings mutual opportunity for personal growth and development. In her day job, Helen is General Counsel with MNF Group Ltd (ASX:MNF), one of Asia-Pacific's fastest growing technology companies.

Tri Nguyen

General Counsel & Company Secretary | Redundancy Payment Central Fund Limited

Having benefitted from the tutelage and support of a former CEO & MD and inspired by his GC colleagues in the work they do with ACCA, it was fitting at this point in Tri's career to give something back via the Mentoring Program so that younger colleagues may benefit.
