

2020 Small Legal Team of the Year

Boeing Australia's legal team provides strategic legal advice in respect of Boeing's commercial aircraft manufacturing activities, including the impact of Virgin's collapse, major defence contracts (such as Loyal Wingman) and bids, and a rapid complex industrial response to COVID-19 impacts on 4,000 employees, including for Boeing's large Victorian manufacturing site.

The Carlton & United Breweries legal team has been recognised for delivering outstanding outcomes for the business in 2019/2020. Despite COVID-19, the team's versatility is shown through achievements ranging from completing strategic acquisitions, supporting a range of new product launches and partnering with Monash Law School on engaging intern programs.

Trusted, respected and committed, LSM's Legal team support the complex, constantly evolving Liberty Specialty Markets businesses across APAC. In 2020, this support has been provided remotely in challenging circumstances without diminution of professionalism, responsiveness or quality of output or delivery. With a well-regarded voice at the senior management table, LSM Legal expedite the strategic objectives, and enhance the reputation, of LSM.
