

Grow your global network via the ACC Hong Kong website

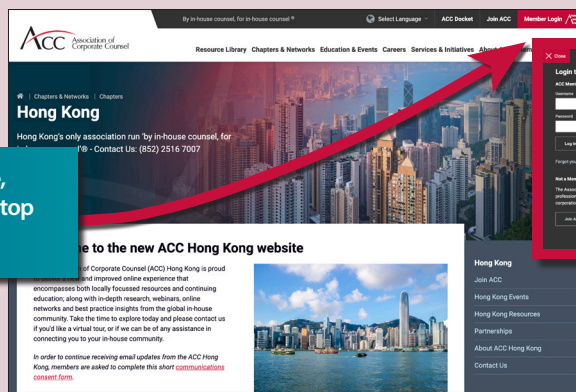

As an Association of Corporate Counsel (ACC) Hong Kong member, you can choose to connect and engage with the global in-house community via one of ACC's 21 different global networks. Each ACC network is governed by a group of dedicated ACC members, each with a strong interest and passion in the relevant area of substantive. By joining an ACC Network you have access to:

- Online forums to discuss and share knowledge with like-minded colleagues,
- Online education events including monthly webcasts,
- The opportunity to stay up to date and across emerging trends in your industry.

To get started...

1

Login to the ACC Hong Kong website, via the Member Login button on the top right-hand corner of the screen...

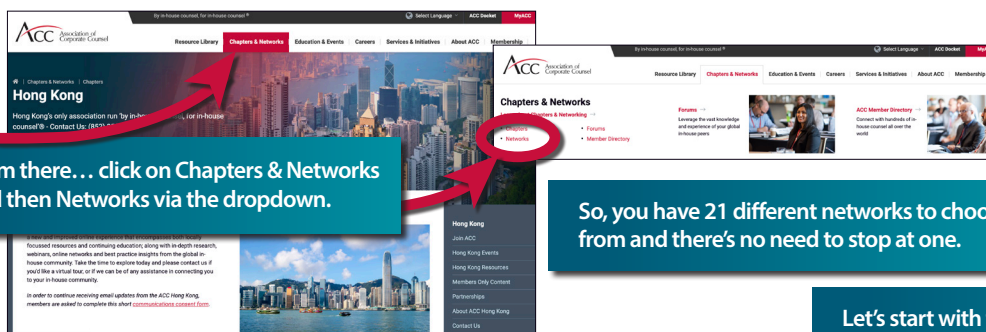

Once you've logged in... you'll see MyACC.

MyACC

2

From there... click on Chapters & Networks and then Networks via the dropdown.

So, you have 21 different networks to choose from and there's no need to stop at one.

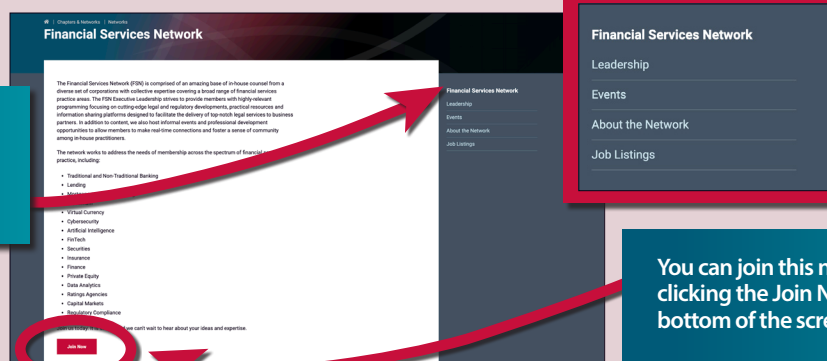

Our Networks
