

2021 Sponsorship Program

The Board of Directors of the Association of Corporate Counsel Austin Chapter is pleased to present the 2021 ACC-Austin Chapter Sponsorship Program. The Association of Corporate Counsel is an international organization with over 45,000 members, employed by over 10,000 organizations in 85 countries. The ACC has more than 60 chapters in the United States, including our chapter in Austin. ACC promotes the common professional and business interest of in-house counsel working for corporations, associations and other organizations through information, education, networking, and advocacy.

ACC Austin is the regional bar association for in-house counsel in the Austin Area with nearly 400 in-house counsel members from over 170 companies, non-profits, and government entities in the greater Austin area (see Appendix A of our company representation listing).

The mission of ACC Austin is to foster the professional development of in-house attorneys in the Austin metropolitan area by providing quality education, relevant resources, and opportunities for professional relationships.

Purpose of Sponsorship Program

The Association of Corporate Counsel encourages local chapters to develop locally-focused sponsorship programs to customize the offerings made available to its members. Sponsors are given an opportunity to showcase their offerings through a continuing legal education program, or a social/networking opportunity, or both. Members enjoy the ability to meet, network with, and create relationships with our sponsors.

About the Austin Chapter

The Austin Chapter of ACC was founded in 2005 and has grown every year since then. We received the ACC’s Small Chapter of the Year award in 2008 and 2012 and have been designated as a Gold Distinction Chapter in 2019. Attendance at our events grows each year and consistently exceeds that of other chapters for the same type of events.

Updates from 2020 Program

In order to meet current member interest and geographical preferences, in 2020 we learned much about how to effectuate virtual programming, and ACC Austin will collaborate on virtual programming and, where appropriate, event venue choices and will additionally provide a list of approved CLE topics for 2021.

To accommodate additional events in 2021, we are continuing to implement changes to improve operational efficiency and aid in scheduling. Events will be assigned to each calendar month and must occur in the month designated. Agenda and presentation materials for each event must be finalized 4 weeks prior to the applicable event.

	Happy Hour	\$2,000	No

* Special Events will open after traditional sponsorships have been closed.

**Virtual format not available at this time; in-person event contingent on state and local health department guidelines. Where such guidelines do not permit an in-person event in 2021, sponsorship of the event will transfer to 2022 if and as agreed with Sponsor.

As in the past, current sponsors have the first right of renewal of their existing sponsorship level through January 15, 2021, and any agreed-upon credits for 2020 sponsorships will be honored upon renewal. After January 15, 2021, any open sponsorships will be offered to additional sponsors. No sponsorship is considered booked without the application being received by our Executive Director, Brycelynn LaBorde, at austin@accglobal.com, confirming written commitment to pay the appropriate fees.

Sponsors will choose their first, second and third choices for available CLE months. **We will attempt to give you your first choice, but available dates are allocated on a first-come basis.**

In order to meet current member interest, ACC Austin has provided a list of approved CLE and small law topics for 2021 (first sponsorship paid, first right to select). Sponsors will choose their first, second, and third choices from the list provided. **We will attempt to give you your first choice, but available topics are allocated on a first paid basis.** Any in-person events will be conducted in accordance with and as permitted by state and local health department guidelines, and ACC Austin will collaborate with Sponsors on event venue choices based on such guidelines and member geographical preferences. All events, except for the Spa Social CLE, may be conducted virtually, and ACC Austin will collaborate with Sponsors on virtual event ideas that would be of interest to ACC Austin members. Virtual events in 2020 included CLEs, a wine tasting and a virtual escape room, to name a few.

All Sponsor event details (CLE topics, speakers, event format/venue, agenda, summary, date and time) must be agreed in advance with ACC Austin no fewer than 30 days prior to the event. ACC reserves the right to cancel the event (without refund) if event details are not agreed within a sufficient time period to market and plan. In order to maximize attendance and event quality, ACC

Austin strongly recommends that event details be finalized at least 60 days in advance of the event. **Events must be held in their assigned months or they will be cancelled without refund.**

As it may be of added interest and relevance to our members, ACC Austin reserves the right to require Sponsors to include in-house attorneys in panel discussions. In such cases, ACC Austin may assist in identifying potential in-house panelist(s) to assist in the presentation.

As part of their sponsorship fee, Gold sponsors will be presented as co-sponsor to an ACC Austin membership social event to be planned and paid for by ACC Austin. ACC Austin has sole approval over these events except as may be agreed in advance among the parties.

Diamond Sponsorship - Spa Social CLE Program

The Spa Social CLE program, co-sponsored with ACC Austin, is a spin off from one of our most popular annual events (the Golf/Spa/CLE.) It is generally an in-person, day-long event consisting of (a) three hours of CLE credit, including at least one hour of ethics, (b) a spa treatment opportunity, (c) lunch, and (d) quality networking. This event has increased attendance each year and typically draws over 100 in-house participants.

The program design is ultimately decided between the Diamond sponsor(s) and ACC. For 2021 ACC suggests beginning the day at 8:30 am with three hours of CLE, including at least one hour of ethics, followed by a martini networking lunch. The venue should have wi-fi access and work areas available from 11:30 am-2 pm. Spa treatments should be available from 2 pm-6 pm. As virtual programming is not available for this event and timing for an in-person program is to be determined, upon the establishment of timing for the program, ACC Austin can provide suggested topics based on then-current member interests. ACC Austin generally recommends that each panel/topic include one in-house member panelist.

Diamond Sponsorship Benefits

Diamond Level Sponsorship allows for the greatest access to ACC-Austin members through named involvement in our signature events with the greatest, consistent attendance. Benefits include:

- Sponsor's logo on ACC Austin Sponsor page, linked to sponsor's website
- ACC will submit for TX Bar CLE credit and report attendees' hours to TX Bar
- ACC will draft and send out the event invite to our membership
- ACC will provide attendee contact information after the event, including emails, subject to attendee consent
- Refer to the [Sponsorship Levels At A Glance](#) table to see allocated attendance at ACC events included in the Diamond Sponsorship fee
- Opportunity to host a networking happy hour for the membership during the calendar year in coordination with ACC

Platinum Sponsorship

There are three Platinum Sponsorships available: (a) the General Counsel Panel, (b) the Business & Law event, and (c) the Women's Forum event. These three events are some of our most popular, best-attended events and are co-hosted with ACC. In addition to the sponsorship of these events, Platinum Sponsors may host a networking happy hour in coordination with ACC Austin considering overall schedule. ACC Austin will work to avoid scheduling events that conflict with other ACC-sponsored events.

General Counsel Panel

ACC Austin holds an annual reception for in-house counsel and sponsors which has grown into a top networking event. This event brings together a panel of three or four general counsel from leading local companies and organizations for a panel discussion of how they attained the chief legal officer seat, what hot-button issues are on their desks, how they recruit, manage and motivate their staff, and what they want and need from their outside counsel. In order to capitalize on the success of focused topics from 2020, ACC Austin suggests the 2021 GC Panel program be focused on pandemic responses and proactively mitigating risks of future disruptions (e.g., supply chain considerations, work-from-home policies and preparedness, etc.).

Business & Law Event

The Business & Law event is a program designed to increase our members' business acumen, leadership, communication and/or career skills through an in-depth or multi-subject conference. The 2019 event, for example, walked members through their first venture financing, M&A transaction, and IPO. The event also includes opportunities for networking and informal discussion. ACC Austin generally recommends that each topic include at least one in house panelist.

Women's Forum

In its third year, the Women's Forum is an opportunity for in-house counsel to explore topics of interest to women attorneys. This event has been ACC Austin's most successful new event and has witnessed strong attendance from men and women. The event includes panels discussions by in-house women lawyers led by women lawyers from the sponsor firm. Non-forum sponsors may attend the event only with an in-house attorney guest. Our Women's Forum may be webcast to ACC members worldwide. Specific topic options will be coordinated with the Women in the House Committee from ACC National.

Platinum Sponsorship Benefits

Platinum Level Sponsorship allows for the greatest access to ACC-Austin members through named involvement in our signature events with the greatest, consistent attendance. Benefits include:

- Sponsor's logo on ACC Austin Sponsor page, linked to sponsor's website
- ACC will submit for TX Bar CLE credit and report attendees' hours to TX Bar
- ACC will draft and send out the event invite to our membership
- ACC will provide attendee contact information after the event, including emails, subject to attendee consent
- Refer to the [Sponsorship Levels At A Glance](#) table to see allocated attendance at ACC events included in the Platinum Sponsorship fee
- Opportunity to host a networking happy hour for the membership during the calendar year in coordination with ACC

Gold Sponsorship Benefits

Our Gold level Sponsorship is a "cost plus" category that allows for flexibility. Under this category, the sponsor pays the sponsorship fee, chooses the menu, and attendance capacity. Benefits include:

- Sponsor's logo on ACC Austin Sponsor page, linked to Sponsor's website
- ACC will submit for TX Bar CLE credit and report attendees' hours to TX Bar
- ACC will draft and send out the event invite to our membership
- ACC will provide attendee contact information after the event, including emails, provided attendees consented to this release of their information
- Refer to the [Sponsorship Levels At A Glance](#) table to see allocated attendance at ACC events included in the Gold Sponsorship fee
- Gold membership also includes co-sponsorship at an ACC membership "social" – we plan it and you only have to show up!

Small Law Roundtable Sponsorship Benefits

Our Small Law Sponsorship focuses on law departments with fewer than five attorneys and is a "cost plus" category. The Small Law Roundtable sponsor hosts up to 3 events (limited to 1 CLE, 1 roundtable discussion, and 1 social event) on a quarterly and geographically rotating basis as designated on the ACC event calendar. The location/venue/menu are entirely within your control, but ACC Austin encourages convenient or interesting venues to achieve better turnout. Typical attendance ranges from 8-20 members. Benefits include:

- Sponsor's logo on ACC Austin Sponsor page, linked to Sponsor's website

- ACC will draft and send out the event invite to our membership
- ACC will provide attendee contact information after the event, including emails, provided attendees consented to this release of their information
- Refer to the [Sponsorship Levels At A Glance](#) table below to see allocated attendance at other ACC events included in Small Law Sponsorship

Additional Information for 2021 Sponsorship Program

1. **Term and Fee:** The term of a sponsorship under the 2021 Program is from January 1, 2021 through December 31, 2021. Sponsorship fees are due within thirty (30) days of notification

of the award. ACC Austin reserves the right to add additional sponsorship categories but will only do so as not to conflict with the current sponsorship categories.

2. **Programming:**

a. Planning & Logistics

- i. ACC Austin will work with the sponsor to plan and present the selected program and will assist in identifying potential in-house panelist(s) to assist in the presentation.
- ii. ACC strongly encourages sponsors to enlist a member or eligible prospective member (in-house counsel) to sit on a panel or otherwise participate in the development of sponsor's program topic or delivery; the Board would be happy to assist in pairing a sponsor with a member upon request.

b. Marketing

- i. ACC Austin will be responsible for marketing the sponsored programs and events to its members, via e-mail notices and its web page. All sponsors are also strongly encouraged to market their events to their in-house clients.
- ii. In order to ensure that programs are marketed in a timely and effective manner, the ACC Board and our chapter's Executive Director will work closely with the sponsor to ensure deadlines associated with the program requirements are met.

c. Awards

- i. In 2019, ACC Austin began a recognition program to highlight our sponsors to our membership. Awards will be given out at the annual appreciation event. 2021 Awards will include:
 1. Best Attended Events (at all sponsorship levels) – Attendance is widely a result of a well thought out topic and presentation. Highlighting these events to our membership provides recognition of the sponsor who most considered the members' interest.
 2. Best Location (at all sponsorship levels) – The Austin area is home to some awesome locations, and our membership appreciates exploring them at ACC events. Having a great location improves attendance at all events, and ACC Austin would like to recognize the sponsor who has been the most creative in determining locations of interest.
 3. Most Diverse Event (at all levels) – Diversity is important to ACC and ACC Austin, and a focus of our initiatives. Encompassing gender, ethnicity, and all other diverse factors, the sponsor who most demonstrates a similar focus through topics, panels, or other ACC interactions will be recognized.
 4. Above and Beyond. Each year we have a sponsor who goes above and beyond the normal parameters of sponsorship. Whether it is assistance coordinating pro bono programs or hosting in-house

lawyers displaced by storms. Austin is home to great firms who consistently go above and beyond. ACC Austin would like to recognize that spirit and ensure that our members are aware of such values when choosing their next counsel.

5. Best Swag – Because we like to end the evening on a lighter note, our last sponsor award will be a nod to the creative marketing representatives who are consistently challenged with providing something unique and interesting to keep your firm memorable at the events. Having tried to do it ourselves at the annual meeting in Austin last year, it’s harder than it looks, and they deserve some recognition too.

d. CLE

- i. **Because our membership is diverse and in-house counsel may practice in-house in Texas without being a member of the Texas bar, ACC Austin requests that members consider CLE requirements of other jurisdictions so that CLE credit may be secured in other states, such as:**
 1. Providing an agenda that sets forth the time for the program
 2. Providing speaker biography summaries
 3. Providing written materials (whether or not handed out at the program; electronic materials are sufficient)
 4. Including legal citations and references such as case law, statutes, and legislation.
- ii. The most well-attended CLE events explore topics that tend to be trouble spots and/or commonly faced by our membership, such as contracts or transaction disputes, newly evolving technology laws, and multijurisdictional practice issues. We have provided a list of suggested CLE topics gleaned from our members’ interest.

3. **Attendance:** Complimentary registrations to attend the ACC Austin events per this agreement may be used by members of your firm or provided to your in-house clients.
4. **Use of Fees:** ACC Austin may elect to support other not for profit organizations in Central Texas through sponsorships, purchases of tables at fundraising events, direct donations or similar activities. Past recipients have included Texas Access to Justice and Volunteer Legal Services of Central Texas.

Sponsorship Procedures

Sponsors are asked to complete and submit the sponsorship application form found at the end of this packet via e-mail to austin@accglobal.com. Existing sponsors will be given the right of first refusal on their sponsorship level through January 15, 2021. Thereafter, sponsorship applications will be available to any eligible law firm or vendor deemed appropriate by our Board. All applications will be given priority based on when they are received, and sponsorship levels will be

awarded on a first-come, first-served basis. **No sponsorship is considered booked without written commitment to pay the appropriate fees.** Gold and Small Law Roundtable sponsors will choose their first, second and third choices for available months and topics. **We will attempt to give you your first choice, but sponsorship options are allocated on a first-come basis.**

Sponsors will be formally notified within one week after their sponsorship application is received. Sponsor fees will be due in full within thirty (30) days of notification of the sponsorship award.

If you are unable to pay the sponsorship fee in this time period due to budget allocation issues, ACC will determine a suitable due date on a case-by-case basis; such due date will not be later than April 1. Sponsor benefits will not be available until payment of sponsorship fees in full have been received. If sponsorship fees are not paid in a timely manner, ACC reserves the right to reopen the sponsorship to other potential sponsors.

On behalf of members of the chapter, the Board of ACC Austin thanks you for your past and continued support.

If you have any questions about these sponsorship guidelines, please do not hesitate to contact our Executive Director, Brycellyn LaBorde, at austin@accglobal.com.

Sincerely,

Board of Directors
ACC Austin
