Dear Linda,

SESSION REGISTRATION

Individual session registration will be available in early October via the virtual meeting platform. We will notify you once the platform is open and ready for you to go in and select the specific sessions you wish to attend. Upon doing so, you will then be able to export/sync your selected sessions to your calendar.

HELP SPREAD THE WORD!

Let others know you are attending the Annual Meeting! Find sample text and images [here](#).

IF YOU REQUIRE CLE/CPD

If you are requesting CLE/CPD, please be sure to indicate your jurisdiction(s) on your registration form via the turquoise "Options" button at the top right of your [Registration Statement](#).

IMPORTANT: ACC will only apply for CLE/CPD in jurisdictions that are requested.

CLE/CPD IN THE VIRTUAL CONTEXT

How jurisdictions view virtual courses:

- Most grant credit for virtual courses
- Some require that they qualify under self-study rules/limits
- Some treat live and on-demand virtual courses differently

We strongly encourage you to review your jurisdiction's virtual/digital media course and self-study eligibility rules prior to selecting your Annual Meeting sessions. ACC will post any relevant information to the [CLE/CPD chart](#) as we receive it.

ACC Will:

- Apply for CLE/CPD credit for all sessions that are happening **live** (at the scheduled air dates/times listed [here](#)) unless otherwise noted in the description.

ACC Will Not:

- Apply for CLE/CPD credit for recorded sessions from the conference (on-demand content), which will be available for attendee viewing during and after the conference.

While not pre-approved, the on-demand content may be eligible for CLE/CPD credit under your jurisdiction's self-study guidelines. Please consult your jurisdiction's [specific rules](#) before submitting for credit for any of on-demand recordings you view.
