

Dear Board Candidate:

Thank you for your interest in serving as a member of the Board of Directors (Class of 2024) for the ACC Greater Philadelphia Chapter ("ACCGP"), which has been consistently recognized as one of the premier chapters of the Association of Corporate Counsel.

ACCGP relies in large part on the volunteer efforts of its Board of Directors to deliver outstanding programs and events to our members throughout the Delaware Valley. The Board serves as the governing body, overseeing the vision, mission and operation of the organization, including overall fiscal and managerial oversight responsibility.

We're interested in finding talented, energetic, and diverse candidates, including representatives from our various geographic regions, industries, and practice areas, to help with our continued success as an organization. Qualified candidates must be members of ACCGP, have an interest and willingness to support ACCGP's goals and objectives and be able to commit to the duties of a Board Member as outlined below. Qualified candidates will also have some familiarity with ACCGP programs and possess leadership, planning and collaborative skills.

Board members are elected to serve for a three-year term and are expected to regularly attend monthly Board meetings (virtual and in person) as well as strategic planning or leadership development sessions. Further, all Board members are expected to serve on at least one Board committee or chair a practice committee, participate actively in Board matters, and support programs and events through attendance and active networking with current and prospective members.

Interested candidates should complete the questionnaire and submit it by **October 15th** through the following link: <https://www.surveymonkey.com/r/CG35VKV>. [Applications received after that date may be considered upon the discretion of the Nominating Committee.] Upon review of all responses, the Nominating Committee will make its recommendations to the Board and you will be notified of its recommendation.

If you have any questions, please feel free to contact me at Michael.eckhardt@wawa.com or ACCGP's President-Elect, Dan Slawe at daniel.slawe@sap.com.

Regards,

Michael Eckhardt
President, ACCGP
