

2022 ACC Northeast Ohio Sponsorship Application

Please read the below notes before completing the 2022 sponsorship application

- NOTE: While pandemic restrictions will continue to apply through the end of this year, it is our hope to resume in-person events as soon as prudently possible.
- If COVID-19 continues to impact our ability to host in-person events in 2022, we will work with you—our sponsors—to find solutions that are mutually beneficial for your firm and our members. It is worth noting that since March, our virtual events have experienced higher member attendance compared with in-person events.
- Sponsorships submitted before the deadline are scheduled first by sponsor level and then by receipt date. However, sponsorships submitted after the deadline will be scheduled in the order received.
- Please provide the minimum number of options, where requested. Depending on the number of applications received and/or the level of interest in each sponsorship, there is no guarantee that the applicants will be granted their first choice of sponsorship level, their preferred date(s) or suggested topic.
- Include other sponsorship level options you would consider (in order of preference) if your first choice is not available.
- Your preferred CLE topics are considered but may ultimately be determined and/or changed at the discretion of ACC NEO, and/or developed in partnership with ACC NEO. A sponsor may consider including leadership training, executive coaching and/or professional development as part of any CLE session.
- For those sponsors that commit to hosting both a CLE and RoundTable, the two may be combined, with the RoundTable discussion immediately after the formal program. However, this option is subject to availability. Also, we advise against combining the two when the CLE is 2.0 credits or more.
- Advertisements and bylined articles for FOCUS are subject to review and approval by ACC NEO at its discretion and will be published as space permits.
- Submit your application as a PDF email attachment to Betsy Keck, Executive Director, ACC Northeast Ohio at neoh@accglobal.com.
- **The application deadline is December 31, 2021. Submissions after that date will be scheduled in the order they were received.**

ACC NEO is excited to partner with you to bring cutting-edge programming to our chapter's growing membership. We thank you for your commitment in helping us enhance in-house practice throughout our region.
