## Committee Goals

PAC works independently of the Association of Corporate Counsel to support the in-house paralegal community by delivering innovative programs to expand the skills critical to paralegals working in-house.

We are looking to grow and support the corporate paralegal group bigger than ever in 2022! Please show your support by sharing the PAC information with your colleagues.

Join our mailing list!

**Email us if you have ideas, suggestions and topics!**

## Cause Corner Project Linus

*Providing Security  
Through Blankets*

**Join us for our 2022 Fundraising campaign!**  
Help us make warm blankets for those in need. If enough people are interested, we will arrange a zoom call to go over instructions and help people get started. Contact [kelly.fortier@thehartford.com](mailto:kelly.fortier@thehartford.com) for more information.
