Welcome from the 2020 Chapter President

Katherine Goldsmith (Western & Southern Life), is the new 2020 Chapter President of the Southwest Ohio Chapter of ACC.

Just a quick note to let you know that we hope you and your families are staying healthy during this unprecedented time in our lives. We also wanted to let you know that our board is working hard behind the scenes so that we can ramp up again with live programming soon. Our program committee, led by Zach Briggs, is working with sponsors and finding a path forward for our future programming. Our membership committee led by Bob Reichert is updating our member prospect list and we are planning a very exciting member/sponsor appreciation party for the fall. Our Vice President, Doug Jenkins, found a wonderful guest speaker to headline this event. Our diversity committee is also working on a special program later in the year led by Kelli Williams. We are excited to keep you updated with the latest on future programming as soon as we have the details following our state getting back to some normalcy.

We kicked off the year with great success with our annual meeting in January featuring our guest speaker, Steve Leeper, from 3CDC. We then had our Platinum Sponsor, Thompson Hine present a CLE on Hot Issues in the Workplace and then we had a mixer at Pins Mechanical with the Greater Cincinnati Minority Counsel Program in March (photo above). Most recently Graydon hosted a webinar for us on COVID-19. We can't wait to get back to the business of serving our members, but until that time, please stay healthy.

Kentucky -

The Kentucky Supreme Court recognizes that many attorneys prefer live programs and it may be challenging to find free or low-cost non-live programming in 2020. Accordingly, to avoid uncertainty and financial hardship, they have issued an order which moves the 2019-2020 CLE compliance deadline to June 30, 2021 and moves the reporting deadline for the 2019-2020 period to August 10, 2021. <https://kycourts.gov/courts/supre>
