Welcome from the 2021 Chapter President

Douglas Jenkins, Assistant Vice President - Senior Corporate Counsel Global Risk Solutions, Liberty Mutual Insurance is the 2021 Chapter President of the Southwest Ohio Chapter of ACC.

We've turned the corner. . . .

Dear Southwest Ohio Chapter Members,

I am Doug Jenkins, the current chapter president, and I want to sincerely thank you all for your membership. Although the pandemic continues to impact our lives, its disruption appears to be diminishing, and we are now able to schedule in-person events for those who wish to attend. For nearly a year and a half, our events were exclusively virtual. Attendance actually was quite good at these events, but many members are ready to attend in person.

Some outstanding events are coming up

In late May, on a warm and sunny evening, we tiptoed into the resumption of in-person events with an outdoor happy hour at Fretboard Brewing. The evening was a success, and we are excited that for the second half of this year, we have perhaps our finest calendar of in-person events. We hope that we will be able to see many of you at a live event in the near future. We have not let the pandemic slow us down and there is plenty of CLE and great programming yet to come. Click here to view our calendar of upcoming events.

Howard Reich, Author of The Art of Inventing Hope: Intimate Conversations with Elie Wiesel

Of special note, you will want to mark your calendars for October 7th when we will welcome Howard Reich to speak to our at our annual member/sponsor appreciation party. Reich is an author, journalist, filmmaker, and Emmy Award winner, whose father, Richard Reich, was liberated from Buchenwald with Elie Wiesel on April 11, 1945. Howard Reich later became friends with Wiesel, who survived the horrors of the Holocaust to become a writer, professor, political activist, and Nobel laureate. Reich's book reflects on the conversations between a Holocaust survivor and a son of survivors.

Fittingly, we will host Reich at the Nancy and David Wolf Holocaust & Humanity Center, located in Cincinnati's iconic Union Terminal. Following Reich's presentation, we will have a reception with appetizers and drinks, with copies of Reich's book for attendees. You will not want to miss this inspirational evening, so keep a lookout for invitations heading your way.

Have an Impact! Join a Committee; Consider the Board

Our board has been working with our sponsors to bring you great programming and soon we will begin planning for 2022. If you are interested in joining the board for 2022 or are interested in serving on a committee (membership, sponsorship, programming, diversity), please let Megan Frient know frient.mp@pg.com. Megan will be our chapter president for 2022.

We know that the ACC is the premier organization for networking and for first-class CLE programs provided by our amazing sponsors. Better yet, our committees and our Board have exceptional in house counsel, who are also just a lot of fun to work with. Attend one Board meeting and you'll know what I mean. If you're thinking about getting more involved, now is the time, since we will be starting to discuss 2022 positions in the next month or two. We hope to hear from you.
