

Dear Members, Sponsors and Colleagues,

Fall is my favorite time of year. The fall colors are so intense and beautiful and pumpkin spice is in the air and in my coffee. Fall brings with it the excitement of anticipation and renewal and this year that feeling has been even more pronounced and profound.

This month, we will return to an in person ACC Annual Meeting for the first time since 2019. I am looking forward to connecting with our members and sponsors in Las Vegas. We all need the energy, creativity, curiosity and possibility that comes with being together. Together we can create connections, learn from each other and better support the needs and interests of our in-house community.

In addition to the Annual Meeting, we have some exciting programming planned this fall. Our sponsors are hosting engaging and educational programs on a variety of topics, including ESG, cybersecurity, consumer protection and DEI, just to name a few. We will also have our first Signature Event in November. Whatever interests brought you to ACC Chicago, you are a member of a powerful community with the will and capacity to create a positive impact through our work, learning and service.

As we look forward to the changing of the seasons, we can't help but reflect on seasons past. The Chapter would like to get your input as we navigate through planning events for next year. **Please share your feedback in the brief survey at this link:** <https://www.surveymonkey.com/r/ACC-ChiMemSurvey22>

If you provide your email address at the end of the survey, you will be entered in our drawing for a chance to win one of three (3) \$100 Amazon Gift Cards.

Thank you for your continued support of ACC Chicago.

Sincerely,
Christine Binotti
President ACC Chicago
