WELCOME TO THE CLUB

The CLO Club

The CLO Club features peer networking opportunities and executive-level education designed exclusively for the chief legal officer. The CLO Club includes a series of four roundtable discussions facilitated by a fellow CLO, providing you with the opportunity to benchmark and network with your peers at leading companies. One roundtable is designed specifically for CLOs from small/medium legal departments (1-8 attorneys), and another specifically for CLOs from larger legal departments (9+ attorneys). These roundtables are conducted under the Chatham House Rule and are highly interactive, small group discussions enabling CLOs to share their company's best practices and strategize together on today's most challenging corporate issues.

The NextGen Club

(formerly Deputy General Counsel)

The NextGen Club is an exclusive set of events for in-house law department leaders who report directly to the chief legal officer/general counsel in law departments consisting of 9+ attorneys. The NextGen Club includes a series of three roundtable discussions conducted under the Chatham House Rule. Discussions are dynamic and stimulating, led by CLOs, and offer the opportunity to think strategically about your career, your personal brand, and your opportunities for advancement and professional growth. All who attend are expected to share actively together to get the most out of these exclusive sessions.

NOTE: Space for both the CLO Club and the NextGen Club is limited, and eligibility requirements apply; participation is subject to approval. If you have questions, please contact Pamela Entsminger, Executive Education Specialist, at p.entsminger@acc.com.

NON-STOP NETWORKING

The ACC Annual Meeting offers much more than CLE/CPD. It is a place to network with your peers, thought leaders, cutting-edge law firms, and legal service providers. Recognizing that the Annual Meeting is large, and may be difficult to cultivate your community, we have designed smaller, more intimate network-building experiences within the larger meeting.

Join us for one or more of the following and start or grow your community:

**Perfect for
introverts &
extroverts
alike!**

NetConnect Meetings

Join like-minded in-house counsel from your industry or practice area at one or more of our NetConnect meetings, hosted by a variety of ACC practice networks. NetConnect meetings are where you can meet new network leaders, speed network with your peers, and provide feedback to ACC on hot topics in your practice area.

All ACC members are invited to attend as many of our NetConnect events as you like. You don't have to be a Network member to attend, and attendance doesn't mean you must make a time commitment.

Participation in ACC Networks offers an opportunity to benchmark with peers and recognized industry leaders. We encourage you to attend any of the NetConnect events to learn more about the broad range of activities offered.

After-hours Events

Check out chapter, network, and sponsor receptions that take place after meeting hours for additional networking opportunities.

More details will be available closer to the meeting dates.

Speed Networking

Limited space available; for registered in-house legal professional attendees only.

**Sunday, October 22
2:30-4:00 PM**

Maximize your Annual Meeting experience by making beneficial new connections with like-minded in-house counsel at this fun, structured, and highly effective Speed Networking event. Match categories include department size and industry.
