## Meet the Board!

1

### What do you do?

I am a corporate and securities lawyer focused on serving asset managers and their investment products. In my current role, I am Associate General Counsel for Equitable Investment Management (EIM) where I am responsible for the legal and regulatory oversight of EIM and its investment products including variable insurance and retail mutual funds and model portfolios.

2

### FUN FACT!

WHEN I WAS IN HIGH SCHOOL IN MADISON, WI, I WAS HIGHLIGHTED IN MY LOCAL PAPER AS A RISING STAR BASKETBALL PLAYER. THE ARTICLE ASKED A FEW QUESTIONS AND ONE WAS "WHAT DO YOU WANT TO DO WHEN YOU GROW UP?" MY RESPONSE WAS "BE AN INTERIOR DESIGNER". MY CAREER DIDN'T QUITE GO THAT ROUTE BUT I DO LOVE DESIGNING AND ARRANGING (AND RE-ARRANGING) LIVING SPACES.

3

### How has ACC helped your career?

ACC has offered me the opportunity to learn more about the financial services industry more broadly. There are so many aspects of this industry that I had never been exposed to and so many great people! The ACC's professional and leadership development resources have also been very helpful as I continue to navigate my career.
