UPCOMING PROGRAMMING

CURRENT TRENDS IN US PATENT LITIGATION FOR FINANCIAL INSTITUTIONS

This program examines key patent litigation trends impacting financial institutions, including:

- Active Patent Litigants & Risk Assessment - Analyzing major entities targeting financial institutions and their litigation strategies.
- USAA Mobile-Check Deposit Litigation - Updates on recent rulings and their implications.
- Damages Caselaw Developments - Key decisions affecting patent damages calculations.

Attendees will gain critical insights to navigate emerging legal risks in the financial sector.
