2025-2026 ACC, ARIZONA CHAPTER SPONSORSHIP PROGRAM

Over many years, the Chapter, together with our sponsors, has built a reputation for offering both top-quality CLE programs and networking opportunities for Arizona in-house counsel. As a result, our programs are popular and widely attended. Sponsorship provides our sponsors with valuable client development opportunities to market services, share expertise, and enhance their reputation with current and potential clients.

The Chapter has developed our Sponsorship Program to increase flexibility for sponsors and to enhance the interaction between members and sponsors. Please see the 2025 – 2026 Sponsorship Program Opportunities outlined herein for an overview of options available to a variety of sponsoring organizations. We believe our Sponsorship Program offers sponsors a unique and unparalleled opportunity to engage with over 500 members who represent local, national, and international organizations with a presence in Arizona.

What Our Members Value Most

We recently surveyed our members to understand which types of programming they value most. Here is what we learned:

- **Community impact matters.** Pro bono and community service initiatives were rated most highly overall, showing that our members deeply value purpose-driven engagement.
- **Connection is key.** Roundtables and social events were also rated highly, highlighting the importance of relationship-building in smaller or informal settings.
- **CLEs remain a priority - specifically in-person programs offering CLE credit**—Among those who participated in our survey, 65% expressed a preference for 1-hour lunchtime CLE sessions over the current 4-hour half-day programs, citing convenience and schedule flexibility. In response to this feedback, most of our regular CLE programs will now be scheduled over the lunch hour. However, we will continue to offer two signature 4-hour events per year, designed to provide an in-depth learning experience and enhanced networking opportunities.
- **Webinars offer flexibility.** Webinars remain a convenient and effective option for reaching members across different across different locations and on different schedules.
- **Preferred days for CLE programming:** Thursdays emerged as the most preferred day for attending programs and events, with Tuesdays as the second preferred day, followed by Wednesdays and Fridays. Mondays and weekends received minimal interest, with Saturday and Sunday ranking lowest. This feedback will help guide our scheduling decisions to maximize member participation and sponsor visibility.

2025-2026 ACC, ARIZONA CHAPTER SPONSORSHIP PROGRAM

What Our Members Value Most, *continued*:

CLE Topic Preferences & Presentation Guidance:

Below are the Top 15 most requested CLE topics by our members, which reflect the current interests and needs of in-house counsel in our chapter:

- *Advanced Contract Drafting*
- *Compliance and Business Ethics*
- *Corporate Law and Governance*
- *Legal Operations*
- *Contracts (General)*
- *Insurance & D&O Liability*
- *Managing Your Legal Department*
- *Government Contracts*
- *Leadership*
- *Privacy Issues*
- *Professional Development*
- *Artificial Intelligence Issues*
- *Employment & Labor Law*
- *Mergers & Acquisitions*
- *Environmental Law*

While these are the most requested topics, sponsors are not limited to these topics; we value your expertise and sharing what your clients find valuable. Additionally, ethics programming remains a critical priority, particularly sessions that satisfy Arizona's CLE ethics requirements.

We encourage sponsors to submit proposals that are engaging, practical, and relevant. Formats that resonate best with our audience include:

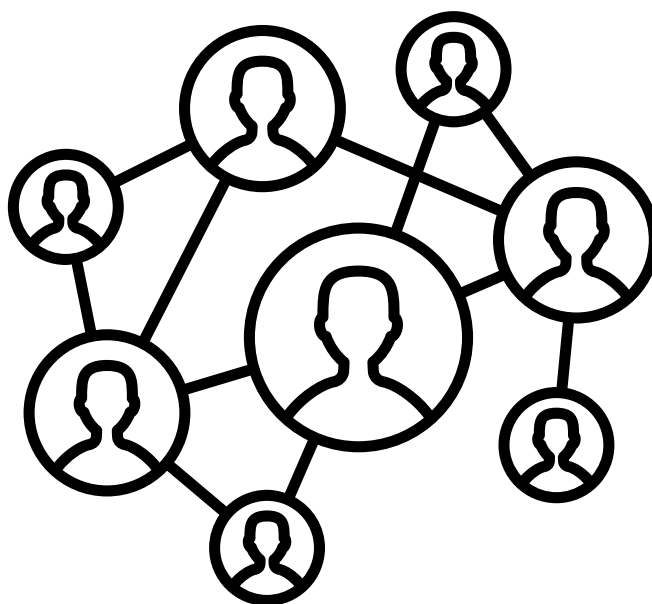

- Panel discussions with diverse perspectives
- Sessions offering toolkits, checklists, or actionable takeaways
- Programs with interactive elements like real-time polling or Q&A throughout

Our members value content that not only educates but also supports their daily practice—so creativity, clarity, and practical application are always appreciated.

We encourage potential sponsors to support these valued formats—or partner with us on something innovative that aligns with our members' interests.

APPENDIX B

2025-2026 ACC ARIZONA SPEAKER AND SPONSOR GUIDELINES

These guidelines shall apply to all Chapter programs featuring a speaker.

The Board of Directors of the Chapter has concluded that it is desirable to bring greater uniformity to presentations by speakers at the Chapter's programs and by adopting these Guidelines, the Board will further the Chapter's primary mission of offering high quality Continuing Legal Education to the Chapter members. These Guidelines are intended to encourage and support the substantive quality of presentations.

- **General Guidelines.** The term "speaker" or "sponsor" shall include the individual making the presentation and the organization to which the speaker belongs.
 - **Absent advance permission from the Chapter, all speakers at a program must be employed by the sponsoring organization for that program.**
 - If a sponsor chooses to offer the CLE program(s) in a panel discussion format with expert panelists comprised of both attorneys and business professionals who are topical experts, the sponsor must notify the Chapter of that no less than thirty (30) days prior to the meeting. At that time, the sponsor must submit the name(s) and organization(s) of all members of the panel to the Chapter for approval.
- **General Presentation Guidelines.** The Executive Director shall work with the Chapter leadership and the speaker and sponsor to implement the Guidelines.
 - The selection of the sponsors shall not imply any endorsement from the Chapter.
 - The Chapter shall not share any proprietary information with the sponsors.
- **Presentation Content Guidelines.** The sponsor may request assistance from the Chapter to ensure the presentation content meets these Guidelines. The speaker shall be responsible for the substantive content of the presentation. Presentations should contain the following elements:
