

2026 ACC NATIONAL CAPITAL REGION

SPONSORSHIP PROGRAM GUIDE

2026 ACC National Capital Region Sponsorship Program Guide

The Board of Directors of ACC National Capital Region is pleased to present the chapter's 2026 Sponsorship Program.

Returning Sponsors: We are grateful for our sponsors every year and never more so than now, as we look back over the past five years. Thank you for your partnership and persistence.

New Applicants: ACC NCR is the regional bar association for in-house counsel, serving companies, non-profits, and other private-sector organizations in the District of Columbia, Virginia, and nearby Maryland. With approximately 2,500 members from more than 800 organizations, ACC NCR is among the largest chapters of the global Association of Corporate Counsel (ACC). ACC NCR provides vital professional services to a vibrant in-house bar and is proud to be the premier provider of continuing legal education and networking opportunities for the in-house legal community in our region. Our sponsors play a critical role in connecting members and enriching the experience. There are a wide range of options for you to consider below, and we hope you will reach out if you have any questions.

2026 Sponsorship Program OPTIONS

The 2026 Sponsorship Program has a variety of levels of annual relationship sponsorships, each of which provides a robust bundle of benefits with excellent and creative visibility for sponsors.

ACC NCR will continue to offer several add-on options for annual relationship sponsors and a range of a la carte sponsor options open to non-relationship sponsors. We provide a chart summarizing the sponsorship options and benefits on pages 5 - 7. Detailed explanations start at the bottom of page 8.

NEW in 2026:

We are introducing two new features to sponsorship in 2026.

- **Claim your Level.** We will cap the number of Bronze annual relationship sponsors to 16. This will mean more visibility, less noise, and a better return on investment at every level.
- **GovCon at Gold.** Hosting CLE programs on Government Contracts topics will require Gold level or higher sponsorship. Sponsors of Government Contracts CLE programs will be featured in the Chapter Directory and invited to an annual Government Contracts event (two representatives of each sponsor; three for Diamond).

Application Process

The first step in the application process is to apply – and apply early! Sponsors that apply by Friday, August 22, and are accepted in the first round, will receive preference for sponsor option, committee, and event dates in 2026. Additionally, these sponsors may send an additional representative to the Sponsor and Volunteer Thank You Reception held on November 20, 2025.

The application timeline (all times by 5 PM Eastern):

- **Friday, August 22:** Deadline for submission of Sponsorship Application Form to be included in the “first-round” priority selection of sponsors.
- **Friday, September 19:** We will notify sponsorship applicants who met the August 22 submission deadline about the status of their applications.
- **Friday, October 17:** Deadline for submission of Sponsorship Application Form to be included in the “second-round” selection of sponsors.
- **Monday, November 24:** We will notify sponsorship applicants who met the October 17 submission deadline about the status of their applications.
- **After October 17, 2025:** While we welcome applications after October 17, we cannot guarantee availability after this date. We evaluate these later applications according to the criteria listed below, first-come, first-served. We will notify applicants about their applications within four weeks of receipt. We do not pro-rate sponsor fees.

KEY Sponsorship Program Provisions

Annual sponsorship under the 2026 Program runs from January 1, 2026, through December 31, 2026.

All prospective sponsors (new and returning) must complete the Sponsorship Application Form online (see page 30 for the list of questions).

By completing and submitting the application form, you represent that:

- (1) You have reviewed and understand the terms of the 2026 ACC NCR Sponsorship Program.
- (2) You are committed to working within the Program and its requirements, specifically the ACC NCR Sponsor Guidelines (pages 26 - 29);
- (3) You are authorized to submit the Sponsor Application on behalf of the sponsor applicant; and
- (4) You will pay the sponsorship fee to ACC NCR by the applicable deadline.

Payment in full of the sponsorship fee must be received by January 31, 2026, or within 30 days of notification of the sponsorship award and an invoice for the fee, whichever occurs later, unless other arrangements are made with the ACC NCR Executive Director. Late payment may result in cancellation of the sponsorship and forfeiture of benefits. We will offer cancelled sponsorship spots to other sponsors under the caps. Please note that sponsorship fees are not refundable.

Please also note the following select provisions of the Sponsor Guidelines (pages 26 - 29):

- a. Presenting sponsor(s) are responsible for food/beverage, venue, and other out-of-pocket costs for programs held outside of the sponsor’s offices.
- b. ACC NCR organizes multi-session programs (e.g., half or full-day conferences). Participation in one session of a multi-session program constitutes a sponsor’s allotted CLE or other

program. Sponsors typically may not participate in more than one program in a multi-session event. In addition, sponsors will share the out-of-pocket costs (see above).

Sponsor Selection Criteria

ACC NCR has been very fortunate to work with sponsors that truly contribute to our efforts to be the premier professional resource for our members. We greatly value our sponsors' dedication to helping us achieve our mission.

In selecting sponsors and assigning sponsorship levels for 2026, ACC NCR will:

1. Attempt to select a mix of sponsors that will offer a variety of information, services, or products to our members to assist them in providing the highest level of service to their clients. We try to make sure that our sponsors are well aligned with the interests of our membership in terms of practice areas, industries represented, and sizes of firms/companies.
2. Seek sponsors that are able to provide information, services, ideas, and expertise that are valuable to our members and conform to our guidelines (see pages 26-29 of this document).
3. Consider, if applicable, the applicant's previous creativity in developing and presenting CLE programming for ACC NCR.
4. Consider the applicant's proffered or proven commitment to diversity and its ability to work closely and effectively with ACC NCR on CLE programs, events, and other chapter activities.

Sponsorships at a glance.

The next few pages offer a summary of all sponsorship options. For more detail, see the particular page numbers noted at the top of the summary.

Sponsorship Benefits: Details

The benefits included in each of the 2026 Sponsorship Program levels provide visibility for our sponsors and recognition of the valuable support that sponsors provide to ACC NCR:

- ❖ CLE and Thought Leadership Opportunities: Among the most valued aspects of this Program, Sponsors have opportunities to demonstrate their expertise by developing or presenting content for ACC NCR that will help our members do their jobs better and smarter.
- ❖ CLEs: ACC NCR prides itself on providing programs on cutting-edge topics and practical approaches of special value to in-house counsel. We host programs in each jurisdiction we serve (D.C., Virginia, and nearby Maryland). We offer programs both in-person and live virtual to ensure easy accessibility for our membership – which means more attendance for sponsors. Sponsors should network with attendees before and after their Program. PLEASE NOTE: As indicated on the chart of benefits, with the exception of Gold Sponsors, all other Annual Relationship Sponsors may be asked to host one or more of their CLE or other programs either during a conference or virtual-only.
- ❖ News Alerts: We also provide opportunities for sponsors at certain levels and through an add-on option to share written updates and analyses with our members via our weekly newsletter and social media accounts. Sponsors provide a link to a substantive article or client alert, along with contact information and a link to the sponsor's home page. Sponsors may author new content or repurpose recent thought leadership. ACC NCR staff sets the newsletter schedule and content, may decline to publish a news alert (in which case the sponsor will be given the opportunity to submit an alternative), and may push a given alert to a later newsletter.

Other Ways to Get to Know ACC NCR Members Through Your Sponsorship: The Program provides a variety of ways for sponsors to meet and develop relationships with members:

- ❖ CORPORATE COUNSEL AWARDS RECEPTION: ACC NCR's annual reception for in-house counsel and sponsors is the premier networking event for in-house counsel in the region. At this event, we present the Corporate Counsel Awards to celebrate the accomplishments and contributions of the in-house bar and recognize some of the best in-house lawyers and legal departments in our region. The reception attracts attendees from the in-house, legal, and business communities, and is designed to maximize opportunities for networking. Each annual relationship sponsorship includes tickets for attendees to the reception, as well as inclusion in the various sponsor recognition features we produce in conjunction with the reception. Date for the 2026 reception – to be determined.
- ❖ GENERAL COUNSEL ROUNDTABLE LUNCHEON: Each year, ACC NCR brings together a panel of three to five General Counsel from leading companies and organizations, representing a variety of industries, sizes of companies, and sizes of departments, for a roundtable discussion. The discussion is always candid, and both in-house and outside counsel value the insights provided. All annual relationship sponsors receive two tickets to this event (Diamond receives three). This is also one of our best-attended luncheon programs, which now includes a networking reception after the panel presentation.

- ❖ ADDITIONAL NETWORKING EVENTS: In 2026, we will hold at least two events for sponsor representatives to meet and network with ACC NCR leaders.
- ❖ CORPORATE SCHOLARS RECEPTION: Sponsor levels that contribute to the Corporate Scholars Program may send representatives to an informal social that ACC NCR will host for its members and the Corporate Scholars in 2026.

Recognition Items:

- ❖ ACC NCR WEBPAGE: ACC NCR's webpage includes banner advertisements on its home page for certain categories of sponsors. In addition, we host a general "Sponsors" page that lists all sponsors, with a link to each sponsor's webpage.
- ❖ ACC NCR DIRECTORY: ACC NCR publishes a downloadable chapter directory with listings of all ACC NCR volunteer leaders and sponsors, as well as a guide to ACC NCR and ACC benefits. Members may retain and refer to the directory all year long. All annual relationship sponsors receive either an advertisement or other acknowledgement in the directory.

ACC NCR Corporate Scholars Program: ACC NCR created the Corporate Scholars Program in 2004 to expose students from the law schools in our area to in-house practice as a career option and develop a diverse pipeline of future in-house lawyers. Students chosen for the program hold paid internships in the legal departments of chapter-member organizations. More than 220 students have been Scholars. The fees for Annual Relationship Sponsors include an amount that ACC NCR uses to operate the program and fund the paid internships. Our Annual Relationship Sponsors play a key role in this important program.

A Board of Advisors, comprised of 16 chief legal officers and senior lawyers from a broad array of companies and organizations across the National Capital Region, oversees the Academy experience. ACC National Capital Region SPONSOR GUIDELINES

The ACC NCR Board of Directors publishes these guidelines for a successful relationship with sponsors.

Overall Guidelines:

1. ACC NCR selects sponsors who will furnish information, services, ideas, opportunities, and expertise that will provide value to our members.
2. In developing programs for ACC NCR, sponsors shall note and follow these guidelines.
3. ACC NCR works cooperatively with its sponsors to develop and refine programs, including the topics of CLE programs.
 - a. All program topics will be reviewed by an ACC NCR volunteer leader and staff member for the subject, content, and expertise demonstrated to ensure it is relevant and of interest to our members.
 - i. ACC NCR will favorably consider a sponsor's proposed programs, panels, speakers, topics, and methods of presentation that demonstrate not only substantive qualifications, but also the sponsor's commitment to diversity.
 - ii. Every panel program shall include an in-house counsel as a panelist, moderator, or speaker for the substantive portion of the program, in addition to the sponsor speaker(s), unless the circumstances are highly unusual.
 - b. ACC NCR will assign a volunteer leader to work on each program to ensure that the program is at an appropriate level and aligns with the vision the sponsor and ACC NCR have for the content, and to help the speakers.
 - c. Ultimately, ACC NCR makes the final determination as to whether an idea is of interest to its members. ACC NCR reserves the right to not accept program content, speakers, or presenters at its sole discretion.
3. Program dates will be jointly decided by the sponsor and ACC NCR.
4. Sponsor and ACC NCR will work together to choose a venue for live presentation of the program that is beneficial for both sponsor and ACC NCR members. In addition, ACC NCR CLE programs may be provided simultaneously by webinar, which will be recorded and available on an archive maintained by ACC NCR.
5. ACC NCR is an approved MCLE provider in Virginia and will handle the processing of all MCLE applications as part of organizing any ACC NCR MCLE program. Sponsor must adhere to the Virginia MCLE Board guidelines regarding written materials (see <http://www.vsb.org/site/members/mcle-opinion-14>) in assembling the program materials.
6. ACC NCR will handle promotion, invitations, registration, and check-in for all events.
7. Sponsors are welcome and are encouraged to invite in-house counsel clients who are not members of ACC NCR to ACC NCR programs sponsored by that sponsor. The sponsor can forward the ACC NCR invitation or ACC NCR will send the invitation to a list provided by the sponsor. All RSVPs for these guests should come to ACC NCR (either from the individual or the sponsor organization) so we can track participation in our events. These clients should

register as “Guest of Presenter.”

8. ACC NCR does not guarantee a minimum level of attendance at any program.
9. Sponsors will be provided with an attendance list for their programs (registrants’ names, titles, and company names, but not email addresses or other contact information per ACC Global policy).
10. ACC NCR is a non-profit 501(c)(6) trade association and all fees paid through the Sponsorship Program are allocated to chapter operations. Admission prices for events, if any, will be set by ACC NCR, based on several factors. Sponsorship fees and admission fees are used by ACC NCR to subsidize the cost of a broad variety of ACC NCR programs and activities throughout the programming year. All ACC NCR financial activity is subject to and part of an annual accounting process.
11. ACC NCR is exceedingly grateful to its sponsors, whose strong support plays an integral role in the chapter’s successful programs, events, and initiatives. Nonetheless, each year’s sponsorship program stands on its own and is completely open to current and potential new sponsors. As a result, from one year to the next, sponsors are not guaranteed that they will continue in their sponsorship level or as sponsors.

Program Logistics:

1. Scheduling of all programs will take place through ACC NCR staff. Once a program is scheduled, the sponsor will work with ACC NCR staff on all logistics.
2. ACC NCR and sponsors will work together to select specific venues for programs.
 - a. Subject to ACC NCR agreement, sponsors that have adequate space at their offices may host programs at their office location, and will provide appropriate room set-up, catering, audio/visual technology and support, and other requirements.
 - b. If the sponsor’s office is not the best place to hold the program, ACC NCR or the sponsor will arrange and/or book another venue, including contracting for the space and arranging appropriate catering, audio/visual technology, and support, etc. No sponsor may make booking arrangements, unless previously approved by ACC NCR.
 - c. For those programs held outside of the sponsor’s offices and for which ACC NCR incurs out-of-pocket costs, the presenting sponsor(s) will be responsible for all food/beverage and venue costs.
 - d. Periodically and for various reasons, ACC NCR will organize a multi-session program (e.g., half or full-day conference). Participation in one session of a multi-session program constitutes a sponsor’s allotted CLE or other program. In addition, sponsors will share in the out-of-pocket costs, such as meals/refreshments and AV.
3. ACC NCR will determine whether or not to charge a fee for a CLE and will collect and retain all fees.
 - a. Non-member in-house counsel will be charged a fee to attend or participate by distance-learning in ACC NCR programming (unless a specific membership promotion grants them free admission).
 - b. If a non-member is invited to participate in an ACC NCR program by a sponsoring organization, the fee for that attendee will be waived or arrangements will be made to bill the sponsor for the fee, provided that attendee registers as a “Guest of Presenter.”

4. ACC NCR reserves the right to cancel, change times, and modify all aspects of the programming, including venue, for reasons of weather or other exigent circumstances. In the event of a venue-driven cancellation or change, ACC NCR reserves the right to reschedule the program. Generally, ACC NCR makes every effort to ensure that the show will go on.
5. If, after a program is scheduled, a sponsor's speaker is unable to participate in that program, for whatever reason, we expect that another qualified individual from the sponsor will fill in for that person. Otherwise, ACC NCR may be able to find a replacement speaker for that program. Programs will not necessarily be canceled just because a speaker withdraws.

Program Content, Materials, and Procedures:

1. Sponsors are expected to prepare and provide all attendees with useful, informative, and practical written educational materials on the topic (which should, at a minimum, include a paper handout of any presentation slides), and to provide electronic versions to ACC NCR for sharing in electronic format on the ACC NCR website. Such materials must conform with the Virginia Bar MCLE guidelines (See Opinion 14; <https://www.vsb.org/Site/Site/lawyers/mcle-essentials.aspx?hkey=7f1d5b52-8cbd-4103-9089-c3142266c0f7>).
 - a. Visual presentation materials, such as a PowerPoint® presentation, are required for all CLEs. Supplemental materials to get across seminar subject matter are also encouraged.
 - b. Sponsors are strongly encouraged to provide forms, templates, agreements, checklists, and other practical guidance and resources in addition to presentation materials.
 - c. All program content and materials for the program must be reviewed in advance by the volunteer leader liaison and ACC NCR staff. Sponsors will provide program content and materials per the timetable specified by ACC NCR to allow adequate time for such review and sponsor speakers will make themselves available for conference calls with the volunteer leader liaison and ACC NCR staff to discuss the topic, content, and materials.
2. Presentation materials will be posted on the ACC NCR website (and, if applicable, the ACC NCR webinar site) for download by members. By returning the signed Sponsorship Application form, sponsor agrees to this sharing, use, and distribution requirement.
3. All hand-out materials and presentation materials must prominently display the ACC NCR logo, in addition to the sponsor(s) logo(s) and must clearly represent that the seminar is an ACC NCR event.
4. Program materials should include biographies for all speakers. They also may include brief promotional information on sponsor's firm, services, etc. Please note, however, that sponsor will not be permitted to make introductory comments about his/her firm and its services during the substantive presentation.
5. At the beginning of all programs, an ACC NCR representative will welcome attendees and introduce the program and speakers.

Marketing and Publicity:

1. ACC NCR will advertise and seek publicity for all chapter events at its expense. ACC NCR will share such materials with the presenting sponsor.
2. If a sponsor creates its own promotional materials (i.e., to send to the sponsor's clients and to post on the sponsors' website), any such promotional materials shall be submitted to ACC NCR staff for approval prior to their distribution or posting.
3. ACC NCR staff members handle all mailings and communications to ACC NCR members.

Rules of Conduct:

1. Sponsorship of ACC NCR events by outside counsel and vendors is not intended to and will not result in a member's organization (or its in-house attorney) being obligated to purchase the services of any sponsor.
2. Sponsorship fees are not intended as, and should not be considered as, an illegal, improper, or unethical gift or gratuity to a specific organization or in-house attorney.
3. Attendance at ACC NCR events is limited to ACC NCR members and their guests, sponsors and their guests, and prospective ACC NCR members.
4. Attendance by sponsor personnel, beyond the allotted number of invitees (if any), is not permitted. Sponsors may not attend programs that they are not organizing/presenting or explicitly invited to, unless their attendance is approved in advance by ACC NCR.
5. ACC NCR reserves the right to refuse any sponsor, as well as the right to restrict or remove any presentation or exhibit that, in the opinion of ACC NCR, detracts from the general character of a program or event. This reservation applies to displays, printed matter, promotional materials, inappropriate conduct, and method of operation. In the event of such restrictions, ACC NCR will not be liable for any refunds or other program expenses.
6. As determined by the Board of Directors, failure to comply with any provision of the Sponsor Guidelines may lead to:
 - a. Warning to the sponsor; and/or
 - b. Sponsorship termination and forfeiture of all fees paid by the sponsor.
