ONE FOCUS: **YOU**

ACC is dedicated to serving the needs of in-house counsel.

**It's all we do, because it's what you do.**

At ACC, we understand the unique challenges you face as an in-house legal professional. Our community is built by in-house professionals for in-house professionals, providing a wealth of experience at your fingertips.

# Why Join ACC?

# Your Trusted Resource

Gain a competitive edge with ACC's original research and benchmarking tools. From setting compensation standards to forecasting the profession's future and managing outside legal spend, this research empowers you to make informed decisions. Plus, our global survey-based reports deliver in-depth perspectives from in-house counsel worldwide—directly to your fingertips.

# Practical Solutions for Everyday Challenges

You're not alone. Day-to-day challenges are easier to tackle when you have a reliable resource by your side. ACC's tools and guidance—created and curated exclusively by in-house counsel for in-house counsel. Template contracts, checklists, sample forms are designed to address the specific needs of your role.

# Learning Designed for You

Advance your skills with confidence. Our learning platforms offer the flexibility to grow on your schedule, with trusted programs that are custom-tailored to the needs of in-house professionals.

- Workshops, seminars, and on-demand learning
- Certified programs for building expertise
- Access to a vetted, trusted library of resources

# Connect and Collaborate with Community

The power of community is undeniable. When you join ACC, you gain access to a global network of over 49,000 in-house counsel. Share experiences, seek advice, and build connections with peers who understand your challenges and goals.

- Engage with local chapters and regional events
- Collaborate through online communities and forums
- Build relationships with like-minded professionals

# What Members Are Saying

"ACC is invaluable. The resources have not only made my daily work easier but **the connections I've made have been a game-changer.**"

- SARAH T., ACC MEMBER

"I found a **trusted community of professionals** who truly understand the in-house counsel role. The insights I've gained are unmatched."

- ANDREW M., ACC MEMBER

# Your Next Step Starts Here

Join ACC today and take your in-house practice to the next level. With trusted resources, expert learning programs, and a community that's got your back, you'll always be equipped for success.
