A Special Message From ACC San Diego

On behalf of the ACC San Diego Chapter, our 600-plus members and the Sponsorship Committee, we'd like to begin by thanking you for your continued partnership. The substance and insight shared through our sponsors' programming has been in greater demand than ever as in-house counsel tackle new and evolving legal challenges. Thanks to our continued collaboration, ACC San Diego was the recipient of the Gold Chapter of Distinction Award for 2024.

In 2025, we had a mixture of online and in person programming as well as in-person social events. Webinars have enabled sponsors to not only reach local ACC members, but members throughout the U.S. In person programs and events have increased throughout the year as members have requested more in person options, especially for social and networking opportunities. We will maintain a good balance of online and in person programming to meet the needs of our members for the foreseeable future.

We look forward to working together in 2026 and beyond.

Best wishes to you and yours,

Marisol Gonzalez

2026 Sponsorship Program

Purpose of Sponsorship Program

The global Association of Corporate Counsel encourages its chapters to develop locally focused sponsorship programs to tailor the programming breadth and content for its members. Additionally, because the ACC San Diego Chapter is committed to meeting the interests and geographical preferences of our members, we regularly seek member input on current and future programs and events.

Based on this input, our 2026 Sponsorship Program provides sponsors with the opportunity to showcase their talents and value proposition through a streamlined and curated offering of monthly continuing education programs, networking and social events, and community service opportunities.

The key benefits and programming components of our 2026 Sponsorship Program, described more fully on the next page, are based on sponsorship level and include: 4 Sponsor Platinum Events, an All Day CLE and Member Reception, an Annual Signature Event, 45 CLE Programs (from pre-approved listing of topics or approval of our Programs Committee) and Social Events.

Special Events

Platinum Events

Platinum level sponsorship allows for the greatest access to the ACC San Diego Chapter members through named involvement in a Platinum Event. Each Platinum Event is solely sponsored by a Platinum level sponsor and co-promoted with ACC San Diego. It can be a CLE Event, a Social Event, or a combined CLE and Social Event at a destination location that is designed and promoted to attract a large and diverse member turnout. Platinum event examples include: Cinco de Mayo Party, K1 Speed Cars, Beer/Wine Tasting, Wine Bus Tour, Birch Aquarium, San Diego Zoo, Cooking, Pizza Tossing, Chocolate & Wine (or Tea) Parings Classes.

Signature Event

ACC San Diego will hold one annual Signature Event for members and sponsors. The 2025 Signature Event will be held at Tom Ham's Lighthouse on November 7th.

Annual All-Day MCLE La-LAW-palooza

In 2025, ACC San Diego's popular all-day MCLE program was held at the Paradise Point Resort & Spa; we had dual programming tracks and enjoyed great attendance at the programs and after party! ACC San Diego's Platinum and Gold Sponsors will be the exclusive MCLE La-LAW-palooza presenters and the only sponsors invited to attend the cocktail reception following the event. Sponsors will not incur additional program, venue or food charges. The 2026 All Day MCLE is scheduled for February 27th at Paradise Point.

Sponsor Night

This annual event provides a unique opportunity for the ACC San Diego board of directors and current sponsors to meet and network socially in a different location each year.

JurisBREWdence Happy Hours

Happy hours are presented immediately following bi-monthly ACC San Diego board meetings and are held throughout San Diego.

2026 CLE PROGRAMMING

CLE Events

CLE events are lunch or evening events solely hosted by a sponsor. While not guaranteed, these events typically have 25 – 70 attendees depending on whether virtual or in person, location and timing of event. The most well-attended CLE events explore topics that are trouble spots and/or commonly faced issues by our membership, including issues and disputes that arise in contracts or transactions, new and evolving technology laws, and multi-jurisdictional practice issues. In addition, offering programs that satisfy the non-general MCLE requirements (i.e., ethics, elimination of bias, technology, civility, and competence) is a great way to increase attendance. We encourage a mix of in person and virtual CLE events.

Allocation and Venue

If in person, the sponsor is responsible for securing a venue for the event and providing lunch or appetizers/cocktails for attendees. To meet current member interest and geographical preferences for CLE events, ACC San Diego will provide its sponsors with a list of approved CLE dates and topics for 2026 and collaborate with the sponsor on CLE event venue choices and other event details. Sponsors will choose their first, second and third choices for available CLE months and topics. Dates and topics will be allocated on a first-paid basis. To allow ACC San Diego sufficient time to plan and market CLE events, sponsors must obtain the approval from ACC San Diego on CLE event details (e.g., CLE topics, speakers, venue, agenda, date and time) at least 45 days before the event. ACC San Diego may cancel the event (without refund) if event details are not timely agreed upon. To promote the quality of our CLE events and maximize attendance, ACC San Diego strongly recommends finalizing the event details at least 60 days in advance.

Topics

Please see Attachment A for a list for CLE topics within the following categories: Diversity/Elimination of Bias; Employment/Compensation/ERISA; International; Intellectual Property; Law Department Management/Legal Tech; Ethics; Litigation/Investigations; Insurance; M&A/Contracts/other Transactions; Privacy/Data Protection/Cybersecurity; Regulatory/Compliance/Trade/Antitrust; Securities/Corporate Governance/ESG/Accounting; and Substance Abuse/Ethics.

SPONSOR GUIDELINES

ACC SD is exceedingly grateful to its sponsors, whose strong support plays an integral role in the Chapter's successful programs, events, and initiatives. These Sponsor Guidelines are provided to assist in successful sponsor engagement.

Sponsor Code of Conduct

- ACC SD is subject to the [privacy policy](#) of the Association of Corporate Counsel, which limits the Chapter's ability to share member information with third parties. We ask for our sponsors' assistance in adhering to this commitment.
- Accordingly, for the benefit of ACC SD, as well as our sponsors, we must strictly prohibit sponsors from engaging in direct marketing and business solicitation at or in connection with any event unless in response to a specific request from a member.

Scheduling Sponsor Programs

- All events must be held in the sponsorship calendar year. There is no rollover of events into the next calendar year.
- ACC SD generally will schedule no more than 6 programs each month, of which only 2 may be in-person, except for November and December during which ACC SD will schedule no more than 4 programs (maximum 2 in-person) each month.
- Dates for programming, including the limited in-person opportunities are offered on a first-come, first-served basis. Sponsors should reserve their dates and specify whether their programs will be virtual or in-person as soon as possible.
- Once a program is scheduled, the sponsor will work with ACC SD on all logistics. Sponsors must finalize event dates with ACC SD at least six (6) weeks prior to the event.

Program Venue and Logistics

- Sponsors may select, depending on availability noted above, whether to host their programs live or virtually. For CLE only programs, attendance is much higher for virtual webinars.
- Webinars will be managed by ACC SD on the ACC SD Zoom Platform.
- For in person programs, ACC SD and sponsors will work together to select the optimal venues for programs to serve both sponsor and member needs.
 - Generally, sponsor offices do not drive as much interest and attendance from members. If ACC SD supports programming at their office location, the sponsor must ensure adequate space is available for the program, and provide appropriate room set-up, catering, audio/visual technology support, etc.
 - For events hosted off-site (i.e., not at the sponsor's offices), the sponsor must arrange and/or book the venue, including contracting with the space, arranging appropriate catering, audio/visual technology support, etc. The sponsor(s) will be responsible for food/beverage and venue costs.

SPONSOR GUIDELINES

Program Content

The Chapter helps with selection of topics of interest to members. Sponsor is responsible for developing and delivering the substantive content.

- ACC SD has prepared a Topic List summarizing many topics that are of interest to our members. ACC SD strongly encourages Sponsors to take advantage of this list when selecting their topic.
- Sponsors should provide forms, templates, agreements, checklists, and other practical guidance and resources in addition to presentation materials.
- ACC SD will manage CLE credits with the State Bar of CA. Sponsors are solely responsible for obtaining CLE accreditation for all in person or virtual events.
- Sponsors should provide program content and materials not less than six weeks in advance of their program.

Sponsor Panelists/Speakers

- In addition to the sponsor speaker(s), sponsors should strive to include an in-house counsel as a panelist, moderator, or speaker for the substantive portion of their program. This greatly enhances member engagement and attendance. ACC SD will help sponsors identify in-house counsel who would like to participate.
- If, after a program is scheduled, a sponsor's speaker is unable to participate, for whatever reason, the sponsor must select another qualified individual to fill in rather than move the program. ACC SD can help with identifying a replacement speaker.
- The Chapter is committed to engaging diverse groups of sponsors and speakers for its events to support its diversity initiatives.

Attendees

- Sponsors are welcome and are encouraged to invite in-house counsel clients who are not members of ACC SD to their sponsored events. Sponsors can forward the ACC SD invitation or have ACC SD send the invitation to a list provided by the sponsor. All RSVPs for these guests should come to ACC SD (either from the individual or the sponsor organization) so we can track participation.
- Sponsors will be provided with an attendance list for their programs (registrants' names, titles, and company names).
- ACC SD does not guarantee a minimum level of attendance at any program.
